Priorities for 2010/2011

- Strengthening the voice of our communities by providing strong processes for community engagement and empowerment.
- Work with our communities to maintain a clean environment in which to live, work and play.
- Working to secure the delivery of a re-vitalised housing market in order to provide access to homes for those who want and need them.
- Continue to enhance health and well-being by improving opportunities and access to sport, leisure and recreation.
- Working with our partners to secure the economic recovery of our community.
- Working with our communities to maintain a safe environment in which to live, work and play.
- Reducing our expenditure by a series of balanced measures whilst maintaining essential services to our community.
