Apologies for the last minute response:

Only interested on the impact on our Village of Thorpe Willoughby where we've lived for nearly 50 years.

- **Draft Growth Options for designated services villages:**

We would definitely prefer **option 1**

- **B.17- Thorpe Willoughby**

**(page B35) ERROR** - What is population of Thorpe Willoughby **not Church Fenton?**

- (page B.36)

Sports Facilities - Why is Memorial Garden listed here? Our "so called" Memorial Garden is actually behind the 3 shops on Field Lane and definitely in TW Parish.

Also, our understanding is that not the entire sports centre land is in Hambleton Parish, part of it is in TW Parish?

We feel that we cannot comment further at this present time until more detail is available.

Thank You.

Mrs Sylvia Parkinson and Mr Tony Parkinson
