The following comments are provided on behalf of Ulleskelf Parish Council:

**Question 58: Ulleskelf**

Ulleskelf Parish Council would support small appropriate developments in the village as detailed in our response to the SADPD

**Question 9: Split across DSVs:**

The Council would also like to have clarification on which developments are included in the figure of 58 commitments at 31st March 2014 included in table 3 and what does it mean if that figure already exceeds the share of dwellings allocated for the village, when this is agreed?

Regards,

Debi Meir  
Ulleskelf Parish Council Clerk
