Dear Mr Ridley

REQUEST FOR FURTHER INFORMATION: APPLETON ROEBUCK ACASTER and SELBY NEIGHBOURHOOD
PLAN EXAMINATION

I have read the Appleton Roebuck Acaster and Selby Parish Council Response to the Selby District Council Regulation 16 Representations and commend the Parish Council for producing this very useful document.

I note that Samuel Smiths Old Brewery raise the question of the definition of small scale development and Selby District Council wish to respond to this. I am content to receive a response from the Council on this matter and will also give the Parish Council and Samuel Smiths Old Brewery an opportunity to respond.

It would be useful if Selby's response and the comments of Samuel Smiths Old Brewery and the Parish Council comments could be prepared and sent to me (via the IPe office) by 28 April 2017. I will arrange the date of my site visit when I have had the comments and responses.

In the interests of transparency, may I prevail upon you to ensure a copy of both this letter and the respective response (in due course) are placed on the Parish and District Council web sites.

Thank you in advance for your assistance.

Your sincerely

Robert Yuille
