Dear Sir/Madam

Church Fenton Neighbourhood Plan

Thank you for your notification received on the 18 December 2020 in respect of the above consultation.

The Coal Authority is a non-departmental public body which works to protect the public and the environment in coal mining areas. Our statutory role in the planning system is to provide advice about new development in the coalfield areas.

As you will be aware the Neighbourhood Plan area lies within the current defined deep coalfield. However, the Neighbourhood Plan area does not contain any surface coal resources or recorded risks from past coal mining activity at shallow depth. Therefore we have **no specific comments** to make on the content of the Plan.

Yours faithfully
