My views on proposed sites in Brotherton an Byram.cllr jack crawford :-
 Brotherton 001-uneven land,not economic
 Brotherton 002-support
 Brotherton 003-green belt,with power lines across
 Byram 001-green belt
 Byram 003- green belt
 Byram 004-green belt,also strategic gap,between Byram and Sutton village
 Byram 005-support
 Byram 006-support

Byram 007-support

As the report says, Brotherton and Byram is constrained by green belt and flood plain, but would benefit from small scale developments.
