Dear

**Development of Appleton Roebuck with Acaster Selby Neighbourhood Plan**

I am writing to inform you that Appleton Roebuck with Acaster Selby (ARAS) Parish Council has decided to embark upon the preparation of a Neighbourhood Development Plan.

The area to be covered by the Plan (the Neighbourhood Area) is proposed to be the whole of the parish of ARAS (see enclosed map). The consultation period on this has now finished and we are waiting to hear from Selby District Council, although we are not expecting any changes to be made.

The scope of our Plan at present is broad, encompassing issues as diverse as affordable housing through to green space and business growth. As we consult with our community this scope will become more focussed and we will seek to contact you as and when issues arise where you will perhaps have a view or have information you are able to share with us.

We look forward to working together on this matter in the future. You can learn more about our Plan and the progress we are making by visiting [www.aras-ndp.org.uk](http://www.aras-ndp.org.uk) which should be live after October 5<sup>th</sup>.

If you have any questions or comments to make at this time, please do contact our secretary, Pauline Rayment.

Yours sincerely,

Cllr Mrs Janet Flint MBE

Chair Appleton Roebuck with Acaster Selby Parish Council
