Neighbourhood Development Plan: Household Survey

Dear resident,

Your Parish Council has recently started the process of preparing a Neighbourhood Development Plan (NDP) for our parish. NDPs have emerged from the Localism Act of 2012 which gave Parish and Town Council the powers to prepare a plan which gives local communities a very powerful voice in deciding on the scale, type and nature of what development takes place in their area.

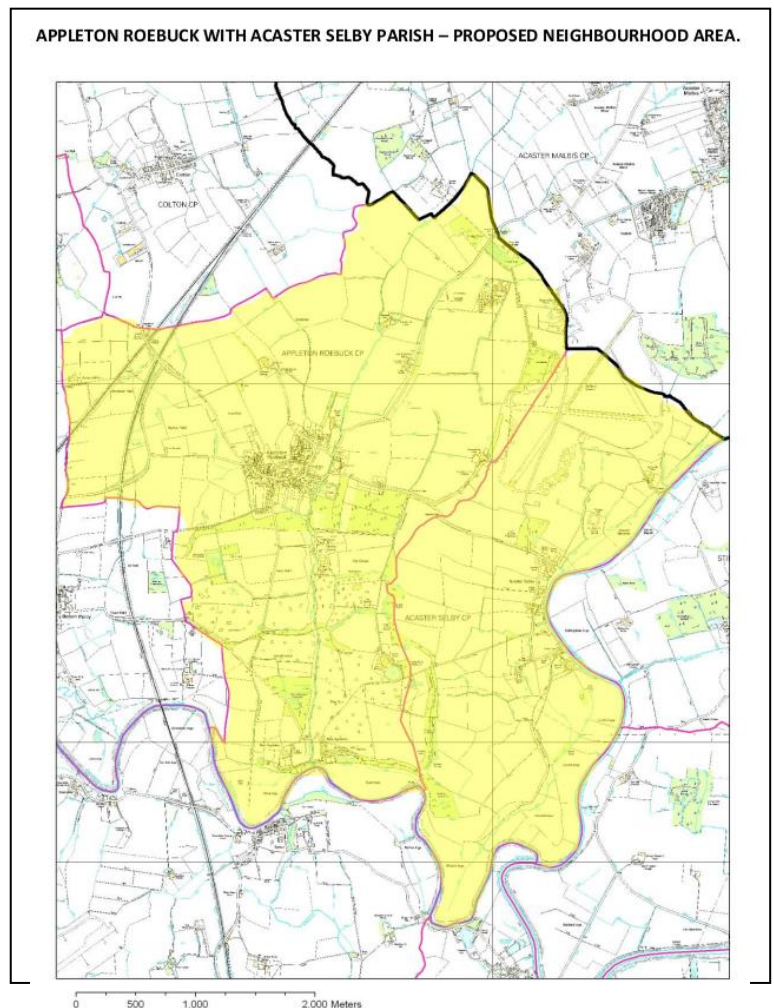

These plans will have legal status and will have to be taken into account before any development takes place. We want our plan to be based on a shared vision of what we want our village to look like in 20 years time, in terms of housing, green spaces, community facilities etc.

This is the first time parishes such as ours have been given the chance to play such a leading role in deciding the kind of place we want to live in. In order to create this shared vision, we really need you, and as many people as possible in the parish, to fill in this questionnaire, and let us have your views.

We would be really grateful if you complete the questionnaire, by **Tuesday 5th November**. Put it in the envelope provided and pop it into the postboxes at:

- The Parish Rooms
- The Roebuck
- The Shoulder of Mutton
- The school

Alternatively, call Pauline Rayment on 01904 744346 and we will call and collect it from your home.
