Consultation Update

Thank you to everyone who responded to the consultation in March.

We are pleased to report that there was between

83% and 97% support for all policies.

What is happening now?

All responses have been analysed, all written comments have been discussed and the draft Development Plan is currently being revised to take account of the results of the consultation. The revised document will be sent out to all residents for further consultation in the Autumn.

If you go to the **News** page on our website

www.aras-ndp.org.uk

you can find **full details** of all responses received to the consultation as well as all the written comments submitted.

Why not come and join in with meetings?

Our next NDP Steering Group meeting is being held on

Thursday 30th July at 7.30pm

in the

Parish Rooms.

Everyone is welcome.
