

**APPLETON ROEBUCK & ACASTER SELBY PARISH COUNCIL**  
**NEIGHBOURHOOD DEVELOPMENT PLAN MEETING**  
**WEDNESDAY 20TH MARCH 2013 AT 7.30PM**  
**IN THE PARISH ROOMS APPLETON ROEBUCK**

The Parish Council would like to develop a Neighbourhood Plan for the parish. This is a community led framework for guiding the future development, regeneration and conservation of the parish. It can cover a range of issues relevant to Appleton Roebuck and Acaster Selby, including housing and transport and it carries weight within local government. The Parish Council believes it is important to develop a plan so that the community is represented and has a say in shaping the future of the parish. It will require consultation with all residents and could take up to 2 years to implement.

There will be a meeting on Wednesday 20<sup>th</sup> March 2013 at 7.30pm in the Parish Rooms to introduce the concept and benefits of developing a Neighbourhood Plan for the parish. This is the first time this important issue has been presented to the whole community. Please come along and hear what the Parish Council is trying to achieve.

The issue of Appleton Roebuck becoming a Designated Service Village will also be discussed.

A vote will be taken at the end of the meeting to determine, of those present, how many are in favour of the Parish Council starting the process of developing a Neighbourhood Plan. A vote will also be taken to determine, of those present, how many are in favour of Appleton Roebuck becoming a Designated Service Village.
