

Selby District Local Development Framework

Core Strategy Development Plan Document Consultation on Further Options

Would you like to influence how the District develops in the future?

Selby District Council is continuing the preparation of a Core Strategy Development Plan Document. This document is part of the Local Development Framework (LDF) for Selby District, which will replace the saved policies of the adopted Local Plan.

The Core Strategy will help establish a spatial vision and objectives to tackle the development pressures facing the District over the next 15 years or so and to ensure that future development is sustainable.

You may have heard about, or commented on, the earlier 'Issues and Options' stage of consultation. Views from this stage have been taken into account in the preparation of the 'Further Options', together with consideration of the evidence base, and national and regional policy.

Copies of the Further Options consultation document, together with a summary leaflet and questionnaire are available to view in normal opening hours, at the District Council Offices, in Selby (Access Selby) and Tadcaster, and in public libraries in Selby, Barlby, Sherburn and Tadcaster and on the mobile libraries. Copies have been sent to all elected Members and to Town and Parish Councils.

The document can also be viewed on our website at www.selby.gov.uk

The consultation period on Further Options runs from **6 November 2008** until **5pm on 18 December 2008**.

A questionnaire is available at the above locations or from our website. Alternatively you may complete a form online or reply by e-mail to ldf@selby.gov.uk using an electronic version of the questionnaire available on our website.

For further details contact the LDF Team on 01757 292034.
