

## **Draft Stage 1: Green Belt Study – Focussed Engagement Summer 2015 – Questions**

For the focussed engagement, people were asked to consider the following questions:

**Q3 (GB)** Using the information within Table 8 of this study, do you have any comments on the approach by which General Areas could be defined as ‘weakly’ or ‘more strongly’ fulfilling the five national purposes of the Green Belt (as defined within NPPF Paragraph 80)?

**Q4 (GB)** Do you have any comments on the approach to defining purpose 5 of the Green Belt Review?
