Dear licence holder,

We have been made aware that there is some local crime going on associated with meat being fraudulently acquired from butchers. Essentially up to £5,000 of raw meat has been “purchased” and local taxis have been asked to deliver it to the London area. The butchers never actually receive payment. Nor does the taxi driver / company. Payment is by a credit card which has been traced to outside the UK. It looks like the payment has gone through but is later drawn back.

This hasn’t happened in the Selby district yet, but it has happened on a number of occasions just to the North of us.

If you are asked to deliver raw meat, please let us know immediately and keep any details that might help trace the culprits.

Many thanks for your assistance in this matter.

Kind Regards

Selby Licensing Team
