SELBY DISTRICT COUNCIL RESPONSIVE DAY TO DAY REPAIRS POLICY

This policy covers the day to day repairs service provided by Selby District Council for repairs that are reported, require remedial work and are outside of the modernization and cyclical repairs programmes.

OVERALL PRINCIPLES

Our aim is to provide a repairs service for you that:

- Meets the highest standards expected by our customers
- Ensures the Health & Safety of our customers and the general public.
- Is cost effective
- Safeguards the future of the property
- Protects the environment

To achieve this we will:

- carry out repairs quickly and in one visit if possible
- respond quickly to Health & Safety issues.
- arrange appointments to carry out work at a time to suit the customer
- set a high standard of workmanship for our contractors and staff
- listen to any problems that you have about repairs and try to put them right
- consider the environmental impact of the building products used and recycle materials where practical.

1 REPAIR OBLIGATIONS

Our repairs duties are set out in the Section 11 of the Landlord and Tenant Act 1985 and are incorporated in the Terms and Conditions of Tenancy.

Under the Act we must keep your home in good condition. We will repair and maintain if in the ownership/responsibility of Selby DC:

- the structure and exterior of the building – roofs, walls, floors, ceilings, window frames, external doors, drains and drainpipes
- kitchen and bathroom fixtures -basins, sinks, baths and water pipes
- electrical wiring and gas services
- heating equipment and water heating equipment
- any communal areas around your home – stairs, lifts, landings, entrance lighting.

- Communal halls, paving, shared gardens, parking areas and rubbish disposal chutes

2 REPORTING REPAIRS

We will respond to repairs reported in any of the following ways .

- to an officer of SDC who is out visiting
- at Access Selby;
- by phone at Access Selby 01757 292125 (includes the out-of-hours emergency number - 01757 706291);
- in writing;
- by email;
- by text – 07984 527206
- by fax - 01757 292262
- through the Lifeline Service;

We will send you confirmation of your repair within 3 working days.

3 TIMESCALES FOR CARRYING OUT REPAIRS

Repairs fall into three groups and the response times for each group are different.

EMERGENCY REPAIRS (E)

We will respond to Emergency Repairs within 24 hours.

URGENT REPAIRS (U)

We will complete Urgent Repairs within 5 working days of the repair being reported.

NON-URGENT REPAIRS (N)

We will complete Non-Urgent Repairs within 25 working days of the repair being reported.

(Appendix A sets out timescales for the most common repairs carried out by us, it is not a comprehensive list)

4 APPOINTMENTS

We will offer appointments:

- for internal repairs or inspections if required.
- for external works or inspections if required.

We will:

- attend any appointments as arranged.
- offer an alternative that is convenient to you where we failed to meet an appointment.
- At all times try to accommodate appointment requests and ensure all contractors attend any arranged appointments.

5 HOME VISITS

- We will always wear and show our identity badges
- We will offer an appointment to visit you

6 KEEPING YOU INFORMED

- We will keep you informed if your repair takes longer than the agreed timescales.
- We will keep you informed if a repair requires parts/materials etc. that are not stock items and must be ordered
- We will still try to achieve the proposed completion date
- We will only delay a repair when there is very bad weather that prevents it being carried out which could be a hazard/Health and Safety issue to the operative.

7 REPAIRS COMPLETED IN ONE VISIT

- We will always aim to do the repair in one visit

8 CUSTOMER SAFETY CHECKS

- We will always prioritise accordingly when a customers sense of security, health or safety are compromised
- We will always remove graffiti.
- We will secure and make safe properties after unlawful access.
- Where persistent unlawful access damage occurs we will only carry out duties under the Landlord and Tenant Act 1985.

9 INSPECTIONS

Pre inspections will be carried out, when required, in the following timescales:

- Urgent Repairs within 5 working days
- Non-Urgent Repairs within 25 working days

10 QUALITY CONTROL CHECKS

- We will check 10% of repairs after completion on a random basis

11 RIGHT TO REPAIR SCHEME – COMPENSATION

- We will operate **Right To Repair Scheme – Compensation**
- We will pay compensation up to a maximum of £50 per repair.
- To come under the Right to Repair scheme, a repair must be what is known as a 'Qualifying Repair'.

12 CUSTOMER SATISFACTION

- We will provide a customer satisfaction survey to everyone who reports a repair.
- We will investigate any response returned showing dissatisfaction
- This will ensure that satisfaction reflects the views of our customers.
- We will randomly sample 5% of customers who do not respond to our surveys
- We will publish satisfaction results twice yearly in the tenants Newsletter

13 COMPLAINTS

- We will investigate all complaints
- We will correct the problem where appropriate
- We will set up a system to ensure it does not happen again

14 EQUALITY AND DIVERSITY

All inspections and repairs will be done in accordance with:

- The Landlord and Tenant Act 1985
- The Rent Act 1977
- Disability Discrimination Act 1995
- Disability Discrimination Amendment Act 2005

- Selby District Council policies and procedures
- Selby District Council's Repairs Charter
- The Code of Practice in Rented Housing for Social Landlords as adopted by the Housing Services Unit
