

SDC/7.

SELBY DISTRICT COUNCIL

DECISION RECORD

Subject: Adjournment of the examination in public

Officer taking decision: Jonathan Lund, Deputy Chief Executive

Member consultation: Cllr Mark Crane

Summary: Confirmation of delegated authority to seek an adjournment of the Core Strategy examination in public in order to take further action in connection with policies and issues raised by the Inspector and others during the course of the examination in public.

Officer's Decision: To confirm that for reasons of urgency under the delegated authority set out on Part 3 of the Constitution 10(k)(i) on page 50 authority to seek an adjournment is granted to the officers representing the Council at the Core Strategy examination in public.

This decision is taken by me as Deputy Chief Executive having consulted the leader of the Council in accordance with the relevant delegation.

However I am also aware of the delegation approved by Council on 13 September 2011 in specific relation to the Core Strategy Examination in Public and of delegation 11 to Chief Officers and Executive Directors and consider that both also authorise the necessary actions to seek an adjournment in this case.

Signature of Officer taking decision

Deputy Chief Executive

Date: 30 September 2011
